U.S. DISTRICT COURT
MIDDLE DISTRICT ALA

Honorable judge

Coolgler will you please give me another chance, if you do I promise that you won't have to worry about me coming back too fast on any charge like this cause the Federal system have shown me how easy it is to get into trouble without you knowing. I feel like the other person that really cause all of this should take my place but they are free while am doing their time for them, I was raise up to have respect for the law, if you do the crime you should do the time. I don't understand why I am about to do time for something I haven't done, but another person said I did it so

now i'm about to time. your Honor will you please
forgive me because i am dumb too the fact about the
law!! if i commit a crime i will take full re-
sponsibility for my action that's only if i commit
a crime. yes, i did plea guilty to this case in state
court because my lawyer said i would have lost the case
and i took his advice and let him plead me guilty
in that case, i wish now it never took place like
it did and am very sorry that it did your Honor!
i just want to say thank you for your time and
concern in this matter.

Thanking you in advance,
Mr. Marcus J. Allis
